

Dear TRPS Festival of Rock Posters Exhibitor,

The Rock Poster Society is pleased to accept your application for exhibitor space at the upcoming TRPS Festival of Rock Posters being held October 19, 2019, at the Hall of Flowers, Golden Gate Park, San Francisco.

PLEASE TAKE NOTE! We require you to use tablecloths and an attractive display for your table space. Please make a sign with your name and/or business to display on or behind your area. An artist/dealer map inside the program will be provided to the public when they enter.

For your convenience, we have attached the following:

- General guidelines for setup

- Map of the venue

- Listing of dining places near the Hall of Flowers

Any additional questions, please direct them via email to Marty at: mhohncab@comcast.net

Thanks and we look forward to seeing you on October 19 at the Hall of Flowers!

Information for Exhibitors

Setup Time - *Setup will be Sat. October 19, 8am -10am.*

Loading and unloading by Exhibitors – As you can see from the floor plan, the Hall of Flowers is a very long exhibit hall (approx. 175') which has only one drive-up entry located at the south end of the hall. All materials must enter and exit through this entrance. The adjacent drive outside this door is only to be used for loading and unloading supplies and merchandise. **No extended parking is permitted.** Exhibitors will be asked to quickly unload their supplies and then park their vehicles elsewhere. Heavy congestion is anticipated at this entrance especially during the short setup period prior to the show. We ask that each exhibitor be fully prepared to move their supplies quickly and efficiently. Some hand-trucks and dollies will be available but are very limited and will obviously be in great demand. We highly recommend that exhibitors plan ahead during these hours of setup. Keeping the traffic moving is imperative and TRPS staff will be on hand to facilitate a smooth flow. Setup will begin at 8 am sharp and we need to have all exhibitors unloaded prior to the doors opening at 10 am. Time will be tight, so please be prepared to setup quickly. TRPS staff will assist when available. Likewise, for the attendees' and exhibitors' safety, we will not allow early departure from your exhibition space. The event closes at 6pm, October 19.

Parking – Parking is limited to the surrounding streets within the park and adjacent neighborhoods. No parking will be allowed outside the rollup door entrance, which is a tow away zone.

Tables and Displays – All vendor spaces now come with display grids provided. You will have four grids (2' by 8' tall each), for a total of 8'. We do have a very limited amount of extra display grids available for \$10 ea. on a first come – first serve basis, available the morning of the show only. Posters are best attached to the grids with binder clips. We ask you bring a good supply of your own, as none will be provided. The bigger ones work best. Tables will not come with coverings. You **must** have a tablecloth or table display of some kind to dress up the show. No bare tables and unkempt areas allowed. Please help our show have the best looking displays. We need your help and forethought to have the best possible festival.

Personal Liability – Though TRPS staff will do its best to accommodate exhibitors as situations arise, this event does not furnish formal security staff. It is the personal responsibility of exhibitors to monitor and secure their assigned space. TRPS shall not be responsible for any loss, damage or theft, which may occur during this event.
